Lucknow, Uttar Pradesh, India

## Summary

Aspiring Computer Science Engineer and MERN Full-Stack Developer with hands-on experience in building responsive and full-stack web applications. Skilled in React.js, Node.js, Express.js, MongoDB, JavaScript, Python, C++ and modern web technologies. Developed practical projects including an Inventory & Bill Management System, Library Management System and a personal portfolio. Passionate about software development, problem solving and learning new technologies.

## Education

**Bachelor of Technology (Computer Science & Engineering)**
Dr. A.P.J. Abdul Kalam Technical University, Lucknow **Expected Graduation: 2027**

## Skills

- **Programming:** Python, JavaScript
- **Web Development:** HTML, CSS, JavaScript, React.js
- **MERN Stack:** MongoDB, Express.js, React.js, Node.js
- **Database:** MongoDB, SQL
- **Core CS:** Data Structures & Algorithms, Object-Oriented Programming
- **Tools:** Git, GitHub, VS Code, MongoDB Compass
- **Office Tools:** MS Word, MS Excel, MS PowerPoint

## Projects

**Inventory & Bill Management System** *MERN Stack*

- Developed a full-stack inventory and billing management system using MongoDB, Express.js, React.js and Node.js.
- Implemented product management, inventory tracking and bill generation features.
- Designed a responsive and user-friendly interface for managing products and billing operations.
- Used Git and GitHub for source code management and project development.
- **GitHub:** Repository

**Library Management System** *MERN Stack*

- Developed a full-stack library management application using the MERN stack.
- Implemented book management, user management and library record management functionality.
- Built responsive interfaces using React.js and integrated backend APIs using Node.js and Express.js.
- Used MongoDB for storing and managing application data.

**Personal Portfolio Website** *React.js*

- Designed and developed a responsive personal portfolio website using React.js.
- Showcases personal information, technical skills, projects and contact details.
- Created a clean and responsive user interface suitable for desktop and mobile devices.

## Certifications

- **Full Stack Development Training** – Codegrip, Lucknow
  - Completed 45 hours of training in Full Stack Development.
- **Full Stack Development Internship using MERN** – UPTEC
  - Completed internship from 9 September 2025 to 29 November 2025.
  - Worked on Full Stack Development using the MERN stack.

## Additional Information

- **Interests:** Web Development, Software Development, Problem Solving and Learning New Technologies
- **Languages:** Hindi, English
